

Welcome to 2nd Grade!

Dear Parents and Guardians,

My name is Latina Duprey and it is my pleasure to welcome your child to my second grade classroom. Let me tell you a little about myself. I was born and raised on the south side of Chicago. I received my bachelor's degree from Western Illinois University and my master's degree in Education from Chicago State University. This will be my 8th year teaching with Chicago Public Schools but my 11th year in education overall. I am a proud mom of two children and dog-mom to Haley. I love reading, cooking, and traveling.

Second grade is a very busy year, filled with a lot of new material and skills to learn. Although remote learning comes with a lot of challenges, I feel confident that we can get through this if we work together. The most important thing that you can do to ensure your child's success is to make sure they are logged in to *Google Classroom*, every day, on time!

-Ms. Duprey
