

Second Grade Supply List for Remote Learning

Although students will begin the year working from home, you will need supplies on hand to complete assignments. Below is a list of school supplies needed:

Pencil box or pouch

1 or 2 pair of Fiskar scissors 5" blunt

Crayola crayons (16 or 24 count)

Elmers glue sticks

Pencils (**Ticonderoga** brand last longer and do not break as often)

4 - Vinyl/plastic 3-prong folder with pockets to keep work in

4 - Wide ruled notebooks for note taking

Ruler

I recommend buying Ticonderoga pencils, glue sticks, and boxes crayons in bulk considering that the school year is 38 weeks long.
